> Two-bar sketch: C4-D4-E4-G4 / E4-D4-C4 (held)

PRACTICE IN FERASTAGE

1. Open treble-clef paper in Music Paper.
2. Write your two-bar melodic idea with Pen, using Eraser if needed.
3. Add a title, time signature and tempo, then save your sketch.

WHAT TO LOOK FOR

The original two-bar melodic idea is a readable freehand sketch; it does not imply automatic playback.
