PRACTICE WORKSHEET 09 / 10

Open the PAPER SKY sheet music image

Open the original PAPER SKY JPG in the Add Image workspace, save it, then select that image-based entry in Songs. Use the PDF and image tools to add rehearsal markings to the image.

PRACTICE EXAMPLE

Document: original PAPER SKY sheet music JPG

Image study name: Paper Sky - Rehearsal

Marking idea: new section at bar 9

PRACTICE IN FERASTAGE

1. Open the original PAPER SKY JPG in the Add Image workspace and save it.
2. Select the image-based entry you created in the Songs library.
3. Add a short rehearsal marking to the image and check its readability.

WHAT TO LOOK FOR

The saved sheet music image opens from the library, with your markings clearly readable.
