PRACTICE WORKSHEET 10 / 10

# Choose between two outputs for FINAL CUE

For the chart in E major, 4/4 and 104 BPM, use Prepare PDF to open the browser's print/save-to-PDF dialog. To share an editable study, choose Share Song and use the FeraStage package format.

> Two purposes: readable PDF and editable study

## PRACTICE IN FERASTAGE

1. Open Prepare PDF for FINAL CUE.
2. Use the browser's print/save-to-PDF dialog to produce a readable copy.
3. For an editable study, inspect the separate Share Song option and compare the purposes of the two files.

## WHAT TO LOOK FOR

A PDF is a readable page export; an editable FeraStage package is a separate option.
