PRACTICE WORKSHEET 04 / 10

Explore the lower register

Find your practice range in the lower register.

> **PRACTICE EXAMPLE**
>
> Range: A0 and the surrounding low keys
>
> Notes to play: A0 - B0 - C1
>
> Read the note name and octave together on the display

PRACTICE IN FERASTAGE

1. Move the keyboard range to the left.
2. Navigate to A0 and the surrounding notes.
3. Check the octave display for the key you play.

WHAT TO LOOK FOR

Follow the different octave positions of A0, B0 and C1 in the lower register using the displays.

YOUR PRACTICE NOTES

Keyboard map — find the sample notes and add your own note

Attempt	Setting / chosen sound	What I hear and see
1
