PRACTICE WORKSHEET 03 / 10

Check a chromatic note

Check the note and octave of a single pitch.

> **PRACTICE EXAMPLE**
>
> Preset: Classic Tuner - Chromatic
>
> Test note: a single A4 or a note of your choice
>
> Watch the note and Hz fields with the microphone on

PRACTICE IN FERASTAGE

1. Select the Classic Tuner preset.
2. Turn on the microphone.
3. Play a single note and inspect the note and Hz fields.

WHAT TO LOOK FOR

Write down the displayed note, octave and frequency in Hz for a single pitch.
