PRACTICE WORKSHEET 04 / 10

Use your own chord source

If no automatic match is found, paste your chorded text into Add Chord Source or Audio Recording, then choose Add Source Chords.

PRACTICE EXAMPLE

Source: your own chorded text

Sample progression: C - Am / F - G

Sample lyrics: A new day, a new sound / We meet in the same rhythm

PRACTICE IN FERASTAGE

1. Paste your own chorded text into Add Chord Source or Audio Recording.
2. Choose Add Source Chords.
3. Check the lines and chord positions before adding them to your work.

WHAT TO LOOK FOR

The lines and chords from your own chorded text are added to the workspace; you verify their placement.

YOUR PRACTICE NOTES
