PRACTICE WORKSHEET 06 / 10

# Lyrics from an image or PDF

Use Extract Lyrics from Image or Extract Lyrics from PDF to import text from an existing document. Check and edit the recognized lines.

### PRACTICE EXAMPLE

Document: your own original lyrics PDF or image

Check words: light, coast, together

Title: Sunrise - Text Check

## PRACTICE IN FERASTAGE

1. Open Extract Lyrics from Image or Extract Lyrics from PDF.
2. Select your own original document and inspect the recognized text.
3. Correct special characters and line order, then save the edited text.

## WHAT TO LOOK FOR

Compare the recognized text with the original document and correct special characters and line order.

## YOUR PRACTICE NOTES

| Check | My note |
| --- | --- |
| Document / page | |
| Special characters | |
| Line order | |

**My original lyrics / chords or correction draft**
