PRACTICE WORKSHEET 08 / 10

Prepare a vocal setlist

Create a Vocal Setlist from My Lyrics. Drag songs into order and add duration, BPM and notes to prepare the running order.

> **PRACTICE EXAMPLE**
>
> Set name: Acoustic Evening
>
> Order: First Light, Coastline, Night Train, Together
>
> Check each song's duration, BPM and short note

PRACTICE IN FERASTAGE

1. Create a Vocal Setlist called Acoustic Evening from My Lyrics.
2. Add the four sample songs and drag them into order.
3. Check duration, BPM and short stage notes, then open the first song's lyrics.

WHAT TO LOOK FOR

Acoustic Evening contains the four sample songs in the correct order with their details.
