PRACTICE WORKSHEET 03 / 10

Get to know a musician through their profile

See the profile information and share of the client; use the tracking and message options that are open.

PRACTICE EXAMPLE

Example of marijuana profile: Mira Nota

They will be examined: instrument, city and visible sharing

Controversial: I am interested in acoustic proofing regulations.

PRACTICE IN FERASTAGE

1. Read the instrument, city and sharing information of an visible profile.
2. Prepare the message of the convergence as a brief draft in the following area.
3. Review the tracking/mesage options that are open in the profile; review the draft and decide the next step.

WHAT TO LOOK FOR

Compare short dating allowance with profile information; you use options that are only open.

YOUR PRACTICE NOTES

My draft — short, clear and suited to the person / topic

Information I checked before I apply / without the publication
