PRACTICE WORKSHEET 01 / 10

Find middle C

Explore the relationship between notes and octaves around middle C.

> **PRACTICE EXAMPLE**
>
> Target key: C4 (middle C)
>
> Start: Transpose 0 | Sustain off
>
> Check: Note, Frequency and Octave fields

PRACTICE IN FERASTAGE

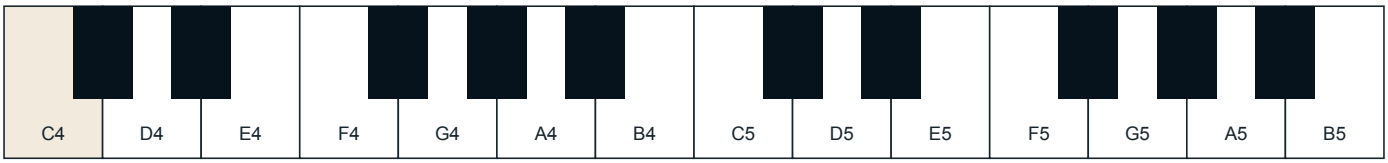

1. Move the keyboard range to the middle register.
2. Find and play C4.
3. Inspect the Note, Frequency and Octave fields together.

WHAT TO LOOK FOR

Find C4 and its octave 4 reading, then read the note and frequency displays together.

YOUR PRACTICE NOTES

Keyboard map — find the sample notes and add your own note
