PRACTICE WORKSHEET 05 / 10

Explore the upper register

Move to the keys in the upper register.

> **PRACTICE EXAMPLE**
>
> Range: C6 and the surrounding high keys
>
> Notes to play: C6 - E6 - G6
>
> Start: Transpose 0

PRACTICE IN FERASTAGE

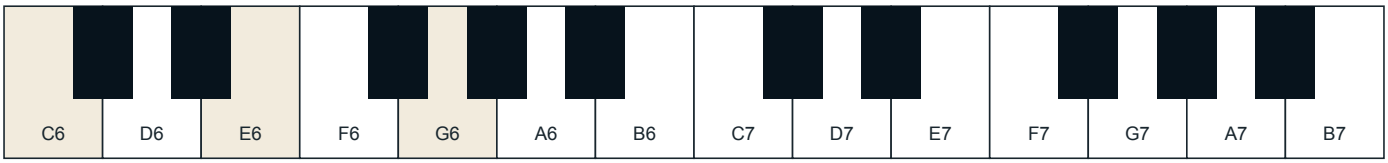

1. Move the keyboard range to the right.
2. Choose notes in the upper register.
3. Use the octave display to check your position.

WHAT TO LOOK FOR

Find C6, E6 and G6 in the upper register and check their octave information.

YOUR PRACTICE NOTES

Keyboard map — find the sample notes and add your own note

Attempt	Setting / chosen sound	What I hear and see
