PRACTICE WORKSHEET 03 / 10

Add Chords

With the retrieved lyrics ready, choose Add Chords. Inspect the matching chord arrangement and any lines that remain incomplete.

> **PRACTICE EXAMPLE**
>
> Study name: First Light - Chord Check
>
> Sample chord progression: C - Am - F - G
>
> Check lyric/chord alignment separately on two lines

PRACTICE IN FERASTAGE

1. With the study's lyrics ready, choose Add Chords.
2. Inspect the matching chord arrangement and any incomplete lines.
3. Check the chord and lyric placement on two sample lines. Make any adjustments you need.

WHAT TO LOOK FOR

Identify whether the chord arrangement is complete or partial and check the placement on two lines.

YOUR PRACTICE NOTES
